

Working together to safeguard
Marine Protected Areas

UK SEAS update

Marine Working Group, 17th September 2018
Jenny Oates, WWF

 @UKSEAS_project

UK SEAS overview

Marine Governance

WHO IS IN CHARGE AROUND HERE?

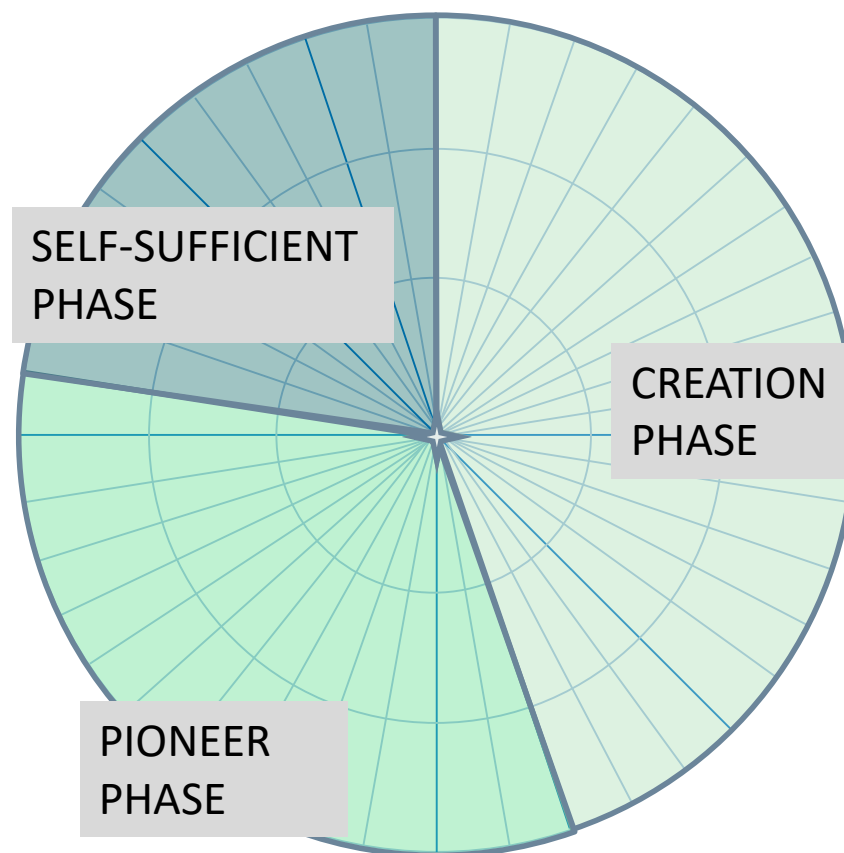

Perceptions of marine governance in North Devon

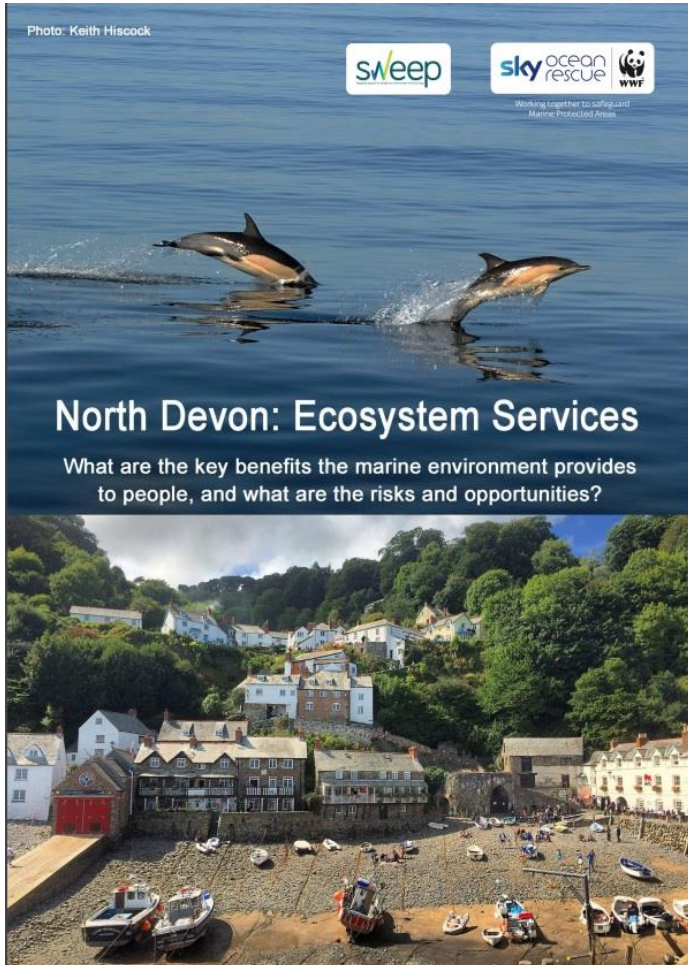

- Understanding of North Devon marine governance based on results from Marine Working Group exercise
- Next step is to identify and develop improvements
- MPA governance toolkit has been used by JNCC

Management effectiveness assessment

- Developed methodology
- Carried out baseline survey for North Devon
- Identify areas of strength and opportunities for improvement

Sustainable financing for marine environment

- Key benefits that are provided to people
- Mapping spend in the marine environment
- Sustainable finance models for trialling in North Devon

Thanks for listening!
